

Seriously In Love

Eddie Cochran

Serious, serious, seriously in love
Serious, serious, seriously in love
You-mmm-you-you my-my lovely one
Mmm-mm, my only one, as bright as a star
With eyes as true as the ocean blue
That's why I'm serious, well, over you

Oh please, please hold me tight
Don't let me go, not tonight
I see the tears, the cryin'
And I see the lips that try not to say goodbye
And that's why I'm so serious
I'm serious over you

You-ooh-you-you my lovely one
You're my only one, as bright as a star
With eyes true as the ocean blue
That's why I'm serious, wohw, over you
