

# Undying Love

Eddie Cochran

You're the world to me  
Until eternity  
It will always be  
Undying love

As long as stars will shine  
I will call you mine  
Till the end of time  
Undying love

Please don't ever leave me,  
Grieve me, deceive me  
Never let me go  
Try to understand me,  
Commend me, demand me  
I'll always love you so

You're the world to me,  
Until eternity  
It will always be  
Undying love

Please don't ever leave me,  
Grieve me, deceive me  
Never let me go  
Try to understand me,  
Commend me, demand me  
I'll always love you so

As long as stars will shine  
I will call you mine  
Till the end of time  
Undying love
