

Yesterday's Heartbreak

Eddie Cochran

Yesterday's heartbreak, brings tomorrow's tears
A laugh of remembering, to live through the years
Yesterday's heartbreak, a love from the past
I lost you forever, your love is my last
Well alone, alone, my heart left to wonder
Alone, alone, my lonely heart does ponder
Oh-oh-oh-yes, yesterday's heartbreak, your love to be
lost
I gave my love freely, now I pay the cost
Yesterday's heartbreak, a love from the past
Well I lost you forever, your love is my last
