

No Other One

Eddie Fisher

No other one
Can take your place
'Cause in my heart
There is no space

I'll lock my heart
And give you the key
No other one
Beneath the sun
Means that much to me

My love is yours
To have and hold
I wouldn't trade the vows I made
For silver and gold

No other hands
Will cling to mine
For other girls
I have no time

Although I'm free
And my heart is young
I'll give my love
I'll give my hand
To no other one
(No other one)
