

Sweet Heartaches

Eddie Fisher

Sweet heartaches
That's what you bring me
Sweet heartaches all the time

You take me up to Heaven
On a thrilling kiss but then
I'm in it for a minute
Then I'm back to Earth again

Because of sweet heartaches
It's all so crazy, starting
Stopping, starting all anew

But hearts are to forgive with
So I'll love and live with
Those sweet heartaches from you

That's what you bring me
All the time

You take me up to Heaven
On a thrilling kiss but then
Oh, I'm in it for a minute
Then I'm back to Earth again

Because of sweet heartaches
It's all so crazy, starting
Stopping, starting all anew

But hearts are to forgive with
So I'll love and live with
Those sweet heartaches from you
Those sweet heartaches from you
