

# Happy

Eddie Kendricks

Happy make you happy baby

I just wanna make you happy make you happy baby

Ain't too cloudy skies when trouble pressing depression should  
make you cry I will show you a better side where there's a rain  
bow shining just for your eyes

Happy gonna make you happy baby don't be sad and blue happy com  
e just for you I will take your frown turn it up side down ever  
y, every care I'll chug away some where if a tear should fall d  
own your pretty face it will be from happy let me make you happ  
y baby

For your smile I'll be a clown I'll get my laugh bags and my fu  
nny shoes bring your heart and sit right down there is nothing  
I won't do just to make you happy

I just wanna make you happy baby I'm so close I feel your sorro  
w too when I'm see you cry my eyes won't stay dry ooooh, ooooh,  
ooooh, baby can't you I just wanna be I wanna be your happy

I wanna make you happy baby I want, want you in my arms be your  
blanket keep you safe and warm I want be your guiding light le  
t me lead you down the path of light

Happy baby, baby I won't let them take your smile away

Don't be sad and blue happy come for you I will take a fr
