

Another Nice Day In L.a.

Eddie Money

Car phone's ringing on the one-on-one
I've been sittin' here for hours in a brighter sun, what a day
down in L.A.
Hollywood girls on the boulevard
Tight pants rockers trying to make a start
She jumped right in; she said "I know who you are".

I said hey "Hey!" It's another nice day, another nice day in L.
A.
It's okay "Hey!" It's a beautiful day, another nice day in L.A.

Friday you were cruising in the limousine
You got no money, you just wanna be seem to lookin' good
Oh, like you should
Well I woke up this morning there was smoke in my eyes
I saw the beggars and millionaires standing outside
'Till they're looking for love but nobody's got the time, oh, n
obody

I said hey "Hey!" It's another nice day, another nice day in L.
A.
It's okay "Hey!" It's a beautiful day, another nice day in L.A.

Look at me, I'm on the beach just a-lying in the sand
And looking hard at such shape of things
I swim so smaller than a diamond ring

And lucky how we're made to win a brand new car
Beverly Hills, like a movie star
I can get to the top but I don't wanna work that hard

I said hey "Hey!" It's another nice day, another nice day in L.
A.
I said hey "Hey!" It's a beautiful day, a beautiful, beautiful
day
I said hey "Hey!" (na na na na na na na) It's another nice day
Another nice day in L.A.
It's okay "Hey!" (na na na na na na na) a beautiful, beautiful
day
I said hey "Hey!" (na na na na na na na)
It's another nice day, another nice day in L.A.
Hey hey hey "Hey!" (na na na na na na na)
It's another nice day, (na na na na na na na)
All in L.A., I said hey "Hey!"
