

# Club Michelle

Eddie Money

Well you know I got to find it  
It's on a dark deserted street  
But you know I had a time there  
Hey driver, can you help me?

I'm lookin' for the Club Michelle

Well our eyes met very slowly  
As we stared right through the crowd  
And we started dancing  
And they played that song

That crazy song again and again

I can still hear them singing

Whoo-ooo-oh-oooh and they played that song  
At the Club Michelle it went on and on  
Whoo-ooo-oh-oooh

I remember oh so well  
Dancing at the Club Michelle

Well we moved into a corner  
We were lookin' for a little room  
There were so many people

And just when we started talking  
They played that song again  
We both got so confused and they played it kinda loud  
I lost her in the crowd

Whooo-ooo-oh-oooh and they played that song again  
Everybody kept on singing  
At the Club Michelle and everybody kept on dancing  
Whoo-ooo-oh-oooh  
And I lost that little girl

It was somewhere called the Club Michelle

Gonna keep looking  
Yeah I'm gonna find her

But I know it's around here somewhere, somewhere  
Down the corner, maybe make a right  
Yes I know I've got to find that girl  
I'm gonna keep on looking  
'Cause I'm gonna find it  
Wait a minute, can you hear it?  
I think I hear 'em singing

Whoo-ooo-oh-oooh and they played that song  
At the Club Michelle it went on and on  
Whoo-ooo-oh-oooh

At the Club Michelle everybody still dancing  
Dancing to the music

Whoo-oo-oh-oooh now I found that girl  
Dancing at the Club Michelle

Whoo-ooo-oh-oooh and they played that song  
At the Club Michelle it went on and on  
Whoo-ooo-oh-oooh
