

# HArd life

Eddie Money

It ain't easy

People talk  
I don't care what they say  
In the long run  
Gonna do it my way

Had some breaks  
Paid for my mistakes  
Lord knows I've had my share  
Of heartaches

Now I've learned to see  
What my daddy always tried to tell me

It's a hard life  
Living on your own  
It ain't easy  
So far from home

It's a hard life  
And it's lonely, too  
When you trying to find a friend or two  
To stand by you

Said it wasn't easy

The simple dreams  
I never understood  
Local boy  
Trying to make it good

Take my life  
I tried to calculate it  
The price I paid  
I underestimated

Late at night in bed  
I think of what my momma said

It's a hard life  
Living on your own  
Things are never easy  
When you're far from home

It's a hard life  
And it's lonely, too  
When you're trying to find a friend or two  
To stand by you

You go where you want  
Don't let them tie you down  
Do what you want  
Can't let them push you 'round  
It's never, never easy  
Oh, oh, oh

Now and then  
The road, it gets tough  
It's a struggle  
Just to get enough

It's a hard life  
And it takes its toll  
Before his time  
A man grows old

It's a hard life  
And it's lonely, too  
When you're looking for a friend or two  
To stand by you, yeah

It ain't easy  
Oh, oh, oh

It's a hard life  
Living on your own  
Said it wasn't easy  
When you're far from home

It's a hard life  
And it's lonely, too  
You're looking for a friend or two  
They'd be standing next to you

Said it's never easy
