

# I Think I'm In Love

Eddie Money

Oh, something's got a hold of me now  
It's a feeling, burnin' up like I'm on fire  
Hold me tight babe, don't leave me by myself tonight  
'Cause I don't think I can make it through the night

I think I'm in love  
And my life's lookin' up  
I think I'm in love  
'Cause I can't get enough  
I think I'm in love  
It's gotta be love

It surrounds me, ooh, like a sea of madness  
It controls me, makes me do all the things I do for you  
On my mind babe, thinkin' about you now  
And I don't know if I'll make it through the night

I think I'm in love  
And my life's lookin' up  
I think I'm in love  
'Cause I can't get enough  
I think I'm in love  
It's gotta be love

I think I'm in love and love's enough

I think I'm in love  
And my life's lookin' up  
I think I'm in love  
'Cause I can't get enough  
I think I'm in love  
It's gotta be love

Baby help me do it  
There must be something to it  
I know it's gotta be love
