

I Wanna Go Back

Eddie Money

I was listening to the radio
I heard a song reminded me of long ago
Back then I thought that things were never gonna change
It used to be that I never had to feel the pain
I know that things will never be the same now

I wanna go back
And do it all over again
But I can't go back I know
I wanna go back
Cause I'm feeling so much older
But I can't go back I know

I recall hanging out on Friday night
The first slow dance
Hoping that I'll get it right
Back then I thought I'd never ever stand alone
It used to be that a lonely heart was never shown
I know that things will never be the same

I wanna go back
And do it all over again
But I can't go back I know
I wanna go back
Cause I'm feeling so much older
But I can't go back I know
Can't go back
I can't go back
I know now that things will never be the same

I said
I wanna go back
And do it all over again
But I can't go back I know
I wanna go back
Cause I'm feeling so much older
But I can't go back I know

I wanna go back
And do it all over again
But I can't go back I know
I wanna go back
Cause I'm feeling so much older
But I can't go back I know

I wanna go back
And do it all over again
But I can't go back I know
I wanna go back
Cause I'm feeling so much older
But I can't go back I know

No, No
And do it all over...
