

# No Control

Eddie Money

Well they took me to the hospital,  
And I swore I would't go.  
My blood was running much to high  
My heart was much to slow.  
The doctor had some questions, somethings he had to know.  
My baby shook her head and said, the boy's got no control.

Well I wasn't born in trouble.  
It's my adopted middle name.  
When you're running with the devil,  
Ya got noone else to blame.

He says Im ok.  
He might say I'm all right.  
But, I lose control everywhere.  
It keeps me up all night.

No control  
I got no control  
You bet I know  
No no no  
I got no control  
Ahhh na na na no control.

She always makes me feel so good.  
I gotta make things right.  
I'm watching all the boys tip her,  
And I dont wanna fight.  
But I got a temper.  
That's one thing she knows.  
And if there's some trouble I lose my control.

I got no control  
I got no control  
Ahh no no no  
No no no  
I got no control  
Said no control

I ain't go no, no, no con trol

(whisper) no control

Ahh no no no no no  
I got no control  
I got no control  
Ahh no no no  
I got no control  
No control

Ah ah ah  
Oh oh oh  
No control  
Ahh no no no no  
Ahh no no no no  
No control

I met ya where ya wanna see,  
And baby baby Im crazy.  
I wanna tell ya now.  
I got no control now.

No no no no  
No no no no  
No control
