Satin angel

Eddie Money

Girls can't take it on their own
Can't stick it out when things get cold
They get lines around their eyes from seeing
And lines around their mouth from pleading

She was once a child, so innocent
She's a satin angel now, with no defense
And ain't it sad to see her sighing
Well, ain't it sad to see her crying

Satin angel, turn your head around
Satin angel, turn your face around
'Cause, just remember, if you're playing with me
You're playing for keeps

Whoa-oh-whoa-oh-whoa-oh-whoa
Whoa-oh-whoa-oh-whoa-oh-whoa

Some cats just can't take the pain
Can't take the fact that things don't change
They get lines around their eyes from seeing
They get lines around their mouth from pleading
From pleading
From pleading

Satin angel, turn your face around
Satin angel, turn your face around
And just remember, when you're playing with me
You're playing for keeps

Whoa-oh-whoa-oh-whoa-oh-whoa
Whoa-oh-whoa-oh-whoa-oh-whoa
Whoa-oh-whoa-oh-whoa-oh-whoa
Whoa-oh-whoa-oh-whoa-oh-whoa

You know you're playing for keeps, satin angel
You got in too deep, satin angel
You know you're playing with me
We're playing for keeps
When you're playing with me
Yeah, you know you're playing for keeps
