

# Walk On Water

Eddie Money

Well if I could walk on water  
And if I could find some way to prove  
If I could walk on water would you believe in me  
My love is so true

(Na, na, na, na, na, na, na, na, na, etc.)

Well I'm no angel, now, I'll admit  
I made a few bad moves I should regret  
I hurt you once or so you said  
Just one more chance is all you get

Didn't mean to do you wrong again  
Worse things have been done by better men  
Baby, baby, don't, don't treat me this way  
I know, yes, I've got to pay now, I'm still paying

Well if I could walk on water  
And if I could find some way to prove  
If I could walk on water would you believe in me, my love is true

Na, na, na, na, na, na, na, na, oh

All along, I told you lies  
To err is human, forgive is divine  
Don't be a fool, don't settle the score  
Cause I can't take it no more, I can't take it

Well if I could walk on water  
And if I could find some way to prove  
If I could walk on water would you believe in me, my love is true

Well, if I could walk on water (if I could)  
Is that what I'm gonna have to do  
If I could walk on water would be you believe in me, my love is so true

Do I have to walk, walk, walk on water for you

Hey baby, baby, there's a little time, let's spend it together  
We'll get over what we left behind, there's our future together  
Yeah, well let's stay together

[Guitar Solo]

Well, if I could walk on water  
And if I could find some way to prove  
If I could walk on water would you believe in me, my love is true

My love is so true, do I have to walk, oh, walk on water for you  
If I had to walk, girl  
If I had to walk, walk, walk  
Do I have to walk on water, walk on water for you  
Do I have to walk on water  
Do I have to find some way to prove  
Do I have to walk on water, walk on water for you  
Do I have to walk on water  
Do I have to find some way to prove

Yeah, yeah, walk on water, walk on water for you
