

Whatzupwitu

Eddie Murphy

Sun is gonna shine
Flowers gonna grow
Clouds'll sprinkle showers
Rivers gonna flow

Man ain't got the power
To kill nothing but himself
Man is a creation
Man is nothing else

Whatzup, whatzup, whatzupwitu?
Whatzup, whatzup, whatzupwitu?

Whatzupwitu?

Whatzup, whatzup, whatzupwitu?
Whatzup, whatzup, whatzupwitu?

Whatzupwitu?

Always is the mountain
Always is the tree's
Always is the ocean
Always is the sea's

Whatzupwitu?!

We can't stop this world
'cause it's not
Our world we can just jack
Each other up

Heavenly Father,
Been mighty patient
He got your number peeped
Your disease

He knows your fallin',
Your fallin', your fallin',

Mmm ... fallin'.
Man is a creation
Man is nothing else

Whatzup, whatzup, whatzupwitu?
Whatzup, whatzup, whatzupwitu?

Whatzupwitu?

Whatzup, whatzup, whatzupwitu?
Whatzup, whatzup, whatzupwitu?

Whatzupwitu?

Always is the mountain

Always is the tree's

Always is the ocean

Always is the sea's

Whoaaaa!

Maybe even children sing!
