

# Crossin' The Mississippi

Eddie Rabbitt

Well, I'm a-crossin' the Mississippi into heaven tonight  
I got a little lady named Suzanna on the other side  
And when that Memphis lady's on my mind  
Well, you can see me headin' 'cross the Tennessee borderline  
I'm crossin' the Mississippi into heaven tonight

I got a good-payin' job in Little Rock, Arkansas  
I am a hard-  
workin' guy, I'm patriotic, and I don't break the law  
But when my fantasies start to flow  
Well, I jump in the Ford and it's down the road I go  
I'm crossin' the Mississippi into heaven tonight

Well, there's a devil drivin' this car down the highway  
There's a burnin' in my body that I can't control  
Red wine and a fun time and easy lovin'  
That's why I'm crossin' the Mississippi into heaven  
Crossin' the Mississippi into heaven  
Crossin' the Mississippi into heaven tonight  
That's right

Well, there's a devil drivin' this car down the highway  
There's a burnin' in my body that I can't control  
Red wine and a fun time and easy lovin'  
That's why I'm crossin' the Mississippi into heaven  
Crossin' the Mississippi into heaven  
Crossin' the Mississippi into heaven tonight

Crossin' the Mississippi  
Crossin' the Mississippi  
Crossin' into heaven  
Crossin' the Mississippi  
Crossin' into heaven
