

Do You Right Tonight

Eddie Rabbitt

Maybe it's a man's world, but girls make it go 'round
But I wouldn't give a nickel for my peace of ground if it
Weren't for my lady standing on it, sweet and proud
Come on, lady, love me now

'Cause I'm gonna do you right tonight
Turn on your light tonight
I'll be right back to ease your mind
Honey, I'm gonna take my time
I'm gonna do you right tonight

Oh, hazel-eyed lady, you got the softest hands
You make me feel like I've got more than any man, and if you
Give me the time, honey, I'll love you more
Than anyone who came before

Then I'm gonna do you right tonight
Turn on your light tonight
I'll be right back to ease your mind
Honey, I'm gonna take my time
I'm gonna do you right tonight

Do you, do you right tonight
Do you, do you right tonight
I'll be right back to ease your mind
Honey, I'm gonna take my time
I'm gonna do you right tonight

Do you, do you right tonight
Do you, do you right tonight
I'll be right back to ease your mind
Honey, I'm gonna take my time
I'm gonna do you right tonight

Do you, do you right tonight
Do you, do you right tonight
I'll be right back to ease your mind
Honey, I'm gonna take my time
I'm gonna do you right tonight
