Do You Right Tonight

Eddie Rabbitt

Maybe it's a man's world, but girls make it go 'round But I wouldn't give a nickel for my peace of ground if it Weren't for my lady standing on it, sweet and proud Come on, lady, love me now

'Cause I'm gonna do you right tonight
Turn on your light tonight
I'll be right back to ease your mind
Honey, I'm gonna take my time
I'm gonna do you right tonight

Oh, hazel-eyed lady, you got the softest hands You make me feel like I've got more than any man, and if you Give me the time, honey, I'll love you more Than anyone who came before

Then I'm gonna do you right tonight
Turn on your light tonight
I'll be right back to ease your mind
Honey, I'm gonna take my time
I'm gonna do you right tonight

Do you, do you right tonight
Do you, do you right tonight
I'll be right back to ease your mind
Honey, I'm gonna take my time
I'm gonna do you right tonight

Do you, do you right tonight
Do you, do you right tonight
I'll be right back to ease your mind
Honey, I'm gonna take my time
I'm gonna do you right tonight

Do you, do you right tonight
Do you, do you right tonight
I'll be right back to ease your mind
Honey, I'm gonna take my time
I'm gonna do you right tonight
