

Heat 'em Up, Eat 'em Up

Eddie Rabbitt

Heat 'em up and eat 'em up
That's my boy
Pop it in the oven and jump for joy
Smells so good, I just can't wait
Please put some macaroni on my plate

Shake it up and bake it up
That's my girl
Best cornbread in the whole wide world
I'll have one, I'll have two
I'll have three if it's alright with you

Heat 'em up and eat 'em up
Shake it up and bake it up
Heat 'em up and eat 'em up
Shake it up and bake it up
Da da da, da da da, da
