

# I Don't Wanna Make Love (With Anyone But You)

Eddie Rabbitt

I don't wanna make love  
With anyone else but you  
'Cause it would never be as good  
With anyone else but you  
Oh, no

Now, I've been around enough to know  
When you find true love, don't let it go  
And I don't wanna make, I don't wanna make love  
With anyone else but you

So turn your lamp light low  
And let me show you what I mean  
Let's go back to that magic place  
That only you and I have seen

I don't wanna make love  
With anyone else but you  
'Cause it would never be love  
With anyone else but you  
Oh, no

The lonely nights I knew before  
I left them all outside your door  
And I don't wanna make, I don't wanna make love  
With anyone else, with anyone else  
But you
