

# I Wanna Dance With You

Eddie Rabbitt

I came in here to have a good time  
With nothing particular on my mind  
When I saw you sitting there by yourself  
Why don't we put a nickel in the old jukebox?  
Yeah, come on baby, I'll dance off your socks  
Cause you sure look like you need a friend tonight

I wanna dance with you, be with you  
Maybe you could show me a thing or two  
I wanna dance with you, talk with you  
Maybe together we can shake the blues  
I wanna dance with you, rock with you  
We'll have a ball before the night is through  
I wanna dance with you  
I wanna dance with you  
I wanna dance with you-woo-woo-woo-woo

I don't even know your name yet  
But you're the kind of girl a man can't forget  
The way you move sure sets my soul on fire  
So come on baby we'll show 'em all  
We'll dance on the ceiling, we'll dance on the wall  
Before you're through, dance into this heart of mine, mine, mine

I wanna dance with you, be with you  
Maybe you could show me a thing or two  
I wanna dance with you, and talk with you  
Maybe together we can shake the blues  
I wanna dance with you, rock with you  
We'll have a ball before the night is through  
I wanna dance with you  
I wanna dance with you  
I wanna dance with you-woo-woo-woo-woo  
Yeah

So come on baby we'll show 'em all  
We'll dance on the ceiling, we'll dance on the wall  
Before you're through, dance into this heart of mine, mine, mine, mine, mine

I wanna dance with you, be with you  
Maybe you could show me a thing or two  
I wanna dance with you, talk with you  
Maybe together we can shake the blues  
I wanna dance with you, rock with you  
We'll have a ball before the night is through  
I wanna dance with you  
I wanna dance with you  
I said I wanna, wanna, wanna, wanna dance with you-woo-woo-woo-woo  
Woo-woo-woo-woo  
Can't you hear me little darling?
