

Pure Love

Eddie Rabbitt

Pure love
Baby, it's pure love
Milk and honey and Captain Crunch
And you in the morning

Pure love
You're the picture of pure love
Ninety-nine and forty-four one-hundreds
Percent pure love

I wake up with sunshine
Layin' beside me
And bluebirds singing right outside my window
Soft, warm kisses
Say good morning
And then I get breakfast in bed
You know you make me so happy

With pure love
Baby, it's pure love
Milk and honey and Captain Crunch
And you in the morning

Pure love
Honey, baby, it's pure love
Ninety-nine and forty-four one-hundreds
Percent pure love
