

# So Deep In Your Love

Eddie Rabbitt

Look at what you're doing to me  
Gettin' me crazy again  
I was drifting off to sleep  
When I felt the touch of your hand  
And I know that look in your eyes  
When you want my love inside

Slide a little closer to me  
Let me feel you again  
You felt so good the first time  
Why don't we do it again?  
And you've got me right in your hands  
And that's where I want to be

So deep in your love  
So deep in your love  
So deep in your love

Loving you's a beautiful thing  
I could never leave you  
Come a little closer to me  
You know how much I need you

Look at what you're doing to me  
Gettin' me crazy again (Crazy again)  
I was drifting off to sleep  
When I felt the touch of your hand  
And I know that look in your eyes  
When you want my love inside

So deep in your love  
So deep in your love  
So deep in your love

So deep in your love  
I've got to be  
So deep in your love  
So deep in your love  
Please, baby, please

So deep in your love  
So deep in your love  
I need to be  
So deep in your love

So deep in your love
