

## Step By Step

Eddie Rabbitt

She seems a million miles away  
When she walks by you don't know what to say  
You gonna make a move, you better make it now  
Don't be afraid, cause love will show you how

You take that first step  
Ask her out and treat her like a lady  
Second step  
Tell her she's the one you're dreaming of  
Third step  
Take her in your arms and never let her go  
Don't you know step by step  
Step by step  
You'll win her love

She looks too beautiful to touch  
But your heart keeps talking to you now  
Don't give up  
You think you see something in her eye  
But you will never know until you try

But you gotta take that first step  
Ask her out and treat her like a lady  
Second step  
Tell her she's the one you're dreaming of  
Third step  
Take her in your arms and never let her go  
Don't you know that step by step  
Step by step  
You'll win her love

Second step...  
Third step...  
Don't you know step by step
