

The Nanny

Eddie Rabbitt

She was working in a bridal shop in Flushing Queens,
'til her boyfriend kicked her out in one of those crushing scenes.

What was she to do? Where was she to go? She was out on her fancy...

So over the bridge from Flushing to the Sheffield's door.

She was there to sell make-up, but father saw more.
She had style! She had flair! She was there! That's how she became the Nanny!

Who would have guessed that the girl we've described, was just exactly what the doctor prescribed?

Now the father finds her beguiling (watch out C.C.!)
and the kids are actually smiling (such joie de vivre!)
She is the lady in red when everybody else is wearing tan...

The flashy girl from Flushing,
the Nanny named Fran!
