

Two Dollars In The Jukebox

Eddie Rabbitt

I've got two dollars in the jukebox
And five dollars in a bottle
And ten more just in case that don't do the trick

And I'll be dead broke tomorrow morning
With heart-aches by the dozen
And a lady on my mind that's driving me crazy

Why do I, Why do I
Need to see those blue eyes
Lookin' at me that way again?
After the way she did me, it's a sin

How could she, how could she
Just walk out and leave me?
After all these nights in her arms
Look where I am

And I've got two dollars in the jukebox
And five dollars in a bottle
And ten more just in case that don't do the trick

And I'll be dead broke tomorrow morning
With heart-aches by the dozen
And a lady on my mind that's driving me crazy

I've got two dollars in the jukebox
And five dollars in a bottle
And ten more just in case that don't do the trick

And I'll be dead broke tomorrow morning
With heart-aches by the dozen
And a lady on my mind that's driving me crazy
I've got a lady on my mind that's driving me crazy
