## You And I

**Eddie Rabbitt** 

Just you and I Sharing our love together And I know in time We'll build the dreams we treasure We'll be all right, just you and I

Just you and I Just you and I Sharing our love together And I know in time And I know in time We'll build the dreams we treasure And we'll be all right Just you and I

And I remember our first embrace That smile that was on your face The promises that we made And now your love is my reward And I love you even more Than I ever did before

Just you and I Just you and I We can entrust each other With you in my life With you in my life They'll never be another We'll be all right Just you and I

And I remember our first embrace That smile that was on your face The promises that we made And now your love is my reward And I love you even more Than I ever did before

We made it you and I
