

# Long Nights

Eddie Vedder

[Verse]

Have no fear  
For when I'm alone  
I'll be better off than I was before

I've got this light  
I'll be around to grow

Who I was before  
I cannot recall

[Chorus]

Long nights allow me to feel...  
I'm falling...I am falling  
The lights go out  
Let me feel...I'm falling  
I am falling safely to... the ground...Ah

[Verse]

I'll take this soul that's inside me now

Like a brand new friend  
I'll forever know

I've got this light  
And the will to show  
I will always be better than before

[Chorus]

Long nights allow me to feel...  
I'm falling...I am falling  
The lights go out  
Let me feel...I'm falling  
I am falling safely to... the ground
