

## Longing to Belong

Eddie Vedder

I'm falling harder than I've  
ever fell before  
I'm falling fast while hoping  
I'll land in your arms  
'cause all my time is spent here  
longing to belong  
to you

I dream of circles perfect  
eyes within your face  
my heart's an open wound that  
only you'd replace  
and though the moon is rising  
can't put your picture down  
love can be frightening when you fall

And when the time is right, I  
hope that you'll respond  
like when the wind gets tired  
the ocean becomes calm  
I may be dreaming but I'm  
longing to belong  
to you
