

More Than You Know

Eddie Vedder

More than you know
Lately I find
You're on my mind
More than you know

Where do I hide
Where do I roam
I need you so
More than you know
More than you know

OOOh, loving you
The way that I do
Oh there is nothing I can do about it
And the little bit of love that I have
That you can live but I can't live without it

Oh, how I cry
Whoa, How I cry
Mmm, If you got time
To say goodbye
Oh that I show,
More than you ever
Ever know
More than you know

More than you've ever
Ever known
More than you know
