

## Society

Eddie Vedder

Oh, it's a mystery to me  
We have a greed with which we have agreed  
And you think you have to want more than you need  
Until you have it all you won't be free

Society, you're a crazy breed  
Hope you're not lonely without me...

When you want more than you have  
You think you need...  
And when you think more than you want  
Your thoughts begin to bleed  
I think I need to find a bigger place  
Because when you have more than you think  
You need more space

Society, you're a crazy breed  
Hope you're not lonely without me...  
Society, crazy indeed  
Hope you're not lonely without me...

There's those thinking, more-or-less, less is more  
But if less is more, how you keeping score?  
Means for every point you make, your level drops  
Kinda like you're starting from the top  
You can't do that...

Society, you're a crazy breed  
Hope you're not lonely without me...  
Society, crazy indeed  
Hope you're not lonely without me...

Society, have mercy on me  
Hope you're not angry if I disagree...  
Society, crazy indeed  
Hope you're not lonely without me...
