Tonight You Belong to Me

Eddie Vedder

I know (I know) you belong To somebody new But tonight You belong to me

Although (although) we're apart You are a part of my heart But tonight You belong to me

Wait down by the stream
How sweet it will seem
Once more just to dream in
The moonlight
My honey I know
With the dawn
That you will be gone
But tonight
You belong to me

But tonight You belong To me
