## **A Heart Full of Love**

**Eddy Arnold** 

I traded a heart full of love for a handful of kisses That you were just throwing away I traded a lifetime of dream for a few carefree moments That you felt like wasting that day If I had known you didn't care I wouldn't be so blue Cause I'd have left my heart at home and played the game like y ou I'm hoping that you had your fun cause that handful of kisses Has broken my trusting heart in two I gave you a love that was true for a heart that was fickle I wish I had known at the time You had me fooled for a while cause I thought that you meant it When you said that you would be mine But now that we have said goodbye I see the light of day I had a moment of happiness but what a price to pay I traded a heart full of love for a handful of kisses That you were just throwing away
