

As Usual

Eddy Arnold

The sun comes up and brings the dawn as usual
And I awake I'll find you're gone as usual
But I can't find a way to let this crazy heart of mine forget
I pretend you're still beside me as usual

Each evening I take a walk as usual
I make believe that we still talk as usual
People always stop and stare I guess they just don't see you t
here
Don't they know you'll always be right here as usual

Today I looked into my mirror as usual
I told myself that you're still here as usual
And as I stood there telling lies the tears began to fill my e
yes
Cause I know I'm only fooling myself as usual
