

## As Usual

Eddy Arnold

The sun comes up and brings the dawn as usual  
And I awake I'll find you're gone as usual  
But I can't find a way to let this crazy heart of mine forget  
I pretend you're still beside me as usual

Each evening I take a walk as usual  
I make believe that we still talk as usual  
People always stop and stare I guess they just don't see you t  
here  
Don't they know you'll always be right here as usual

Today I looked into my mirror as usual  
I told myself that you're still here as usual  
And as I stood there telling lies the tears began to fill my e  
yes  
Cause I know I'm only fooling myself as usual
