

Don't Forget I Still Love You

Eddy Arnold

Don't forget I still love you every day we're apart
Someone else will be kissing you but you'll still be in my heart

Don't forget I still love you when his arms hold you tight
Just remember that I still care though I'm losing you tonight

When I told you I love you and promised I'd be true
And I'll keep that promise my whole life through

I could never forget you and how our love used to be
Goodbye my darling and don't forget you can always come back to me
Goodbye my darling and don't forget you can always come back to me
