

Everything I Have Is Yours

Eddy Arnold

Everything I have is yours you're part of me

Everything I have is yours my destiny

I would gladly give the sun to you if the sun were only mine

I would gladly give the earth to you and the stars that shine

Everything that I possess I offer you

Let my dream of happiness come true

I'd be happy just to spend my life waiting at your beck and call

Everything I have is yours my life my all

[piano]

I'd be happy just to spend my life...
