Good Hearted Woman

Eddy Arnold

A long time forgotten Are dreams that just felt by the way And the good life he promised Is not what she's living to day But she never complains of The bad times or bad things he's done She's just talks about the good times they've had And all the good times to come She's a good hearted woman In love with a good timin' man And she loves him in spite of his ways That she don't understand And through teardrops and laughter They'll pass through this world hand in hand This good hearted woman In love with her good timin' man Well now, he likes the night life The bright lights and good timin' friends And when the party's all over She welcome him back home again Though she don't understand him She does the best that she can This good hearted woman In love with her good timin' man She's a good hearted woman In love with a good timin' man And she loves him in spite of his ways That she don't understand And through teardrops and laughter They'll pass through this world hand in hand This good hearted woman In love with her good timin' man She's a good hearted woman In love with a good timin' man And she loves him in spite of his ways That she don't understand
