

## I Couldn't Believe It Was True

Eddy Arnold

Last night I come home and I knocked on my door  
I called to my love as I oft had before  
I knocked and I knocked but no answer it came  
No kisses to greet me no voice called my name  
I couldn't believe it was true oh Lord I couldn't believe it w  
as true  
My eyes filled with tears I must have aged ten years  
I couldn't believe it was true  
I let myself in and I walk to our bed  
I found a note there and the message it read  
The truth like a bolt from the blue in the dawn  
My sweetheart had left me my darling had gone  
I couldn't believe it was true oh Lord...  
The shock was so great I am quivering yet  
I tried to forgive but I cannot forget  
My heartbreaking loss is another man's gain  
Her happiness always I hope will remain  
I couldn't believe it was true oh Lord...
