

It Makes No Difference Now

Eddy Arnold

(Floyd Tillman - Jimmie Davis)

Makes no difference now what kind of life they hands me
I'll get along without you now that's plain to see
I don't care what happens next for I'll get by somehow
I don't worry 'cause it makes no difference now.
It was just a year ago when I first met you
I learned to love you and I thought you'd love me too
But now that's all in the past and I'll forget somehow
I don't worry 'cause it makes no difference now.

--- Instrumental ---

Now that we have really parted I can't believe we're through
I don't blame myself and I'm sure I can't blame you
There was something had to happen and it happened somehow
I don't worry 'cause it makes no difference now.

--- Instrumental ---

After all it's said and done I'll soon forget you
Although I know that it will be so hard to do
Let things happen as they will and I'll get by somehow
I don't worry 'cause it makes no difference now...
