

Love Me

Eddy Arnold

Treat me like a fool treat me mean and cruel but love me
Bring my faithful heart tear it all apart but love me
If you'll ever go darling I'll be oh so lonely
I'll be sad and blue crying over you dear only
I would beg and steal just to feel
Your heart beating close to mine
Every night I pray to the stars that shine above me
Beggin' on my knees all I ask is please, please love me
