

My Darling, My Darling

Eddy Arnold

My darling my darling I wanted to call you my darling
For many a many a day
My darling my darling I flooded and flagged like a starling
My courage just melted away

Now all at once you've kissed me
And there's not a thing I'm sane enough to say
Except my darling my darling get used to that name
Of my darling it's here to stay
(My darling my darling)
[piano]
(Oh my darling my darling)
[piano]
Now all at once you've kissed me...
