Dance with me Dance with me You can dance every dance With the guy who gives you the eye Let him hold you tight You can smile every smile For the man who held your hand Beneath the pale moonlight So don't forget who's taking you home And in whose arms you're gonna be So, darlin', save the last dance for me Dance with me Oh, I know that the music's fine Like sparkling wine Go and have your fun Laugh and sing but while we're apart Don't give your heart to anyone So don't forget who's taking you home And in whose arms you're gonna be So, darlin', save the last dance for me Baby, don't you know I love you so? Can't you feel it when we touch? I will never, never let you go I love you, oh so much You can dance, go and carry on Till the night is gone and it's time to go If he asks, if you're all alone Can he take you home You must tell him no So don't forget who's taking you home And in whose arms you're gonna be So, darlin', save the last dance for me So don't forget who's taking you home And in whose arms you're gonna be So, darlin', save the last dance for me Dance with me Dance with me Dance with me So don't forget who's taking you home And in whose arms you're gonna be So, darlin', save the last dance for me . . .
