

## Texarkana Baby

Eddy Arnold

She's my Texarkana baby do I love her Lowdy Law  
Her pappy came from Texas her maw from Arkansaw  
I'm twisted round her finger like a little piece of string  
And yet I'm satisfied because she's such a precious thing  
If she hauled off and slapped me I would never feel the sting  
She's my Texarkana baby

She's my Texarkana baby do I love her Lowdy Law  
Her pappy came from Texas and her maw from Arkansaw  
She's pretty as a picture and you ought to hear her name  
It's sweet as sarghum syrup and good ol' blue ribbon cane  
She gives me lots of sugar and she never spills a grain  
She's my Texarkana baby

She's my Texarkana baby do I love her Lowdy Law  
Her pappy came from Texas and her maw from Arkansaw  
One night I went a callin' on my pretty little maid  
I must admit to you I was a little bit afraid  
To offer her a diamond ring with one installment pay  
She's my Texarkana baby

She's my Texarkana baby do I love her Lowdy Law  
Her pappy came from Texas and her maw from Arkansaw  
She's got two eyes that twinkle like a good ol' country star  
She's got a perfect figure that'll stop you where you are  
Why everytime I look at her I think of my guitar  
Se's my Texarkana baby
