

# What's He Doin' in My World

**Eddy Arnold**

What's he doin' in my world what's he doin' holdin' my world  
If he's not more than just a friend why were you kissin' him  
And what's he doin' in my world

What's he doin' in my world did you tell him that you're my gi  
rl  
If your love is really true tell him my world's made for two  
What's he doin' in my world

Oh don't let me keep on wonderin' just what you're gonna do  
Wondering if the one I love loves somebody new

What's he doin' in my world we don't need him here in our worl  
d  
So if it's true he's just a friend explain those kisses you ga  
ve him  
And what's he doin' in my world
