

# What's He Doing In My World

Eddy Arnold

What's he doing in my world?  
What's he doing holding my world?  
If he's not more than just friend  
Why were you kissing him?  
And what's he doing in my world?  
What's he doing in my world?  
Did you tell him that you're my girl?  
If your love is really true  
Tell him my world's made for two  
And what's he doing in my world?  
Oh, don't let me keep on wondering  
Just what you're gonna do  
Wondering if the one I love  
Loves somebody new  
What's he doing in my world?  
We don't need him in our world  
So if it's true he's just a friend  
Explain those kisses you gave him  
And what's he doing in my world?
