

# You're My Everything

Eddy Arnold

You're my everything underneath the sun  
You're my everything grow up into one  
You're my only dream, my only real reality  
You're my idea of a perfect personality

You're my everything, everything I need  
You're the song I sing and the book I read  
You're a way beyond unbelieved and just to make it real  
You're my winter, summer, spring, my everything

You're a way beyond unbelieved and just to make it real  
You're my winter, summer, spring, my everything
