Till I Can't Take Love No More

Eddy Grant

I don't know what to do I don't know what to say. I never had a love to measure up to your love. And all the little ways that you been good to me I've never been afraid oh come and give me your love. Till I can't take love no more give me love. Till I can't take no more till I can't take love no more till I can't. And if I had to bet on all the loves I've had Come on don't be sad ten to one its your love. It would run away with every single place. Oh sweet love is this come on give me more love. Till I can't take love no more give me love. Till I can't take no more till I can't take love no more Give me love till I can't take no more. And all the little ways that you been good to me I've never been afraid oh come and give me your love. It would run away with every single place. Oh sweet love is this come on give me more love. Till I can't take love no more give me love... Till I can't take love no more give me love... Till I can't take love no more give me love...
