

I Could Use Another You

Eddy Raven

Don't need another drink now been drinkin' the whole night long
don't need no time to think now been thinking since you been g
one what could i use it to make it all right one thing i need i
s to mind

I could use another you, i could use somebody new that could do
what you could do back when you loved me i could use a lovers
touch, that could move me just as much i could never get enough
back when you loved me now that we're through i could use anot
her

You

Don't wanna go to new places that wouldn't do no good don't wan
ns see new faces though everyone says i should one thing i'm mi
ssing and one thing i need is love like the lovin' that you gav
e to me
