

Sometimes A Lady

Eddy Raven

I'd learn to watch as she wanted to dance
I'd fall in love given half a chance
Wear'n that look that says it all
She'll come on and She'll back off

Sometimes a bad girl sometimes a lady
So sophisticated, just a little crazy
Ooh but she's a class act
Lookin sweet and sassy
Sometimes a bad, bad girl sometimes a lady

Makin her moves with her innocent eyes
Schoolgirl smile but she shore ain't shy
You'd want her to if thought she would
I'd walk away if I thought I could

Sometimes a bad girl sometimes a lady
So sophisticated, just a little crazy
Ooh but she's a class act
Lookin sweet and sassy
Sometimes a bad, bad girl sometimes a lady

Ooh but she's a class act
Lookin sweet and sassy
Sometimes a bad, bad girl sometimes a lady
